A Calendar of Prayer for Missions

THIS *Calendar of Prayer for Missions* has been prepared for you to give you a convenient guide to all missionaries serving the Church under National Council appointment. This group, of course, is only a small part of the many men and women who are proclaiming the Gospel in a variety of capacities at home and throughout the world. You will want to add at appropriate places in this *Calendar* the names of those servants of Christ whom you know.

Intercessory prayer is working with God to help carry out what He wants to have done. There is probably no better way of sharing in the Church's Mission than to intercede for missionaries and the work they are doing. Daily use of this *Calendar* will assure praying for each missionary by name and for every field and station. The *Calendar* may be used by parishes and parish organizations, by groups and individuals, in the services of the Church and in private devotions.

MID-DAY PRAYER

For the Church's Mission Throughout the World

O SAVIOUR of the world, who by thy Cross and precious Blood hast redeemed us:

Save us, and help us, we humbly beseech thee, O Lord. And I, if I be lifted up will draw all men unto me.

Blessed Saviour, who at this hour didst hang upon the Cross, stretching forth thy loving arms; Grant that all mankind may look upon thee and be saved; through thy mercies and merits, who livest and reignest with the Father and the Holy Ghost, ever one God, world without end. *Amen.*

OR

At mid-day I saw a light above the brightness of the Sun.

ALMIGHTY Saviour, who at mid-day didst call thy servant Saint Paul to be an apostle to the Gentiles; We beseech thee, illumine the world with the radiance of thy glory, that all nations may come and worship thee, who art with the Father and the Holy Ghost, one God, world without end. *Amen.*

Turn to *A Calendar of Prayer for Missions* and find today's date.

Mention by name the missionary or missionaries to be prayed for on this day, adding information about the field or diocese, the station, and the type of work the missionary is doing.

Use an appropriate prayer, the one for the week, or the one for the Church in the country in which the missionary is serving.

THE LORD'S PRAYER.

THE grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost, be with us all evermore. *Amen.*

FOR THE CHURCH IN CHINA

O GRACIOUS Father, we humbly beseech thee for thy Holy Catholic Church in China; send down upon its Bishops, and other clergy, and upon the congregations committed to their charges, the healthful spirit of thy grace; in their hour of darkness, suffer not their trust in thee to fail; Grant them, in all their doubts and uncertainties, the grace to ask what thou wouldst have them to do, that the spirit of wisdom may save them from all false choices, and that in thy light they may see light, and in thy straight path may not stumble; and that by the power of thy Holy Spirit they may be set free from the chains of tyranny and of fear, and may be brought again into a life of freedom and of peace; through Jesus Christ our Lord. *Amen.*

CHINA

6-8. **Monday to Wednesday.** For more than a hundred years our Church played an active part in the Christian missionary enterprise in China. Our Mission there grew into three great missionary districts. At the time of our greatest effort in China, we had an American staff numbering 145 missionaries with an annual appropriation of \$600,000.

Today the situation in China has compelled the withdrawal of all missionary personnel and of all financial assistance to the Church in China. That young Church, known as the Chung Hua Sheng Kung Hui (Holy Catholic Church in China) is an independent, autonomous branch or province of the Anglican Communion. It comprises fifteen dioceses. It is an indigenous or native Church in that in fourteen of its dioceses, Chinese bishops have jurisdiction. The one exception is the Diocese of Hong Kong which is a crown colony.

No one minimizes the gravity of the situation facing the Church in China. That young Church is fighting for its very life. Yet, two things give us reason to hope that it will survive. First, the Church in China, like the Church everywhere throughout the world, is a part of that Divine Body for

which our Lord lived and died and to which he gave the promise that the forces of hell should not prevail against it. Secondly, that young Church enjoys a wise and devoted leadership in its Chinese bishops and clergy and comprises a great body of loyal and courageous men and women and little children. Pray for them. Pray for the Church in China. They deserve our sympathy and understanding and constant prayers. We have confidence in their ultimate victory.

Meanwhile, it would serve no good purpose to list the names of the Chinese bishops and other clergy. To do so might endanger lives. It would do no good to list those institutions which in former years were supported by the Church in the United States, for they have been or will be taken over by the new regime but our labor of the past one hundred years is not lost. We have contributed, in no small measure, to the building of the Church in China which, under God and by His mercy, will carry on.

HONG KONG

9. **Thursday.** CHUNG CHI COLLEGE, Hong Kong, a newly organized college for Chinese refugees and others in Hong Kong, begun three years ago by the Rt. Rev. RONALD O. HALL, Anglican Bishop of Hong Kong, is to be supported by the United Board for Christian Colleges in China.

LONG, JR., the Church's representative on the staff of Bishop Hall and priest at the Church of the Good Shepherd, Hong Kong, and representative of the Yale-in-China Association in the development of New Asia College for Chinese refugee students, and Mrs. Long (Nancy I.).
